EXPERIENCE

FRONT END DEVELOPER AND UX/UI DESIGNER

YASSUH, INC., NEW JERSEY, USA | NOVEMBER 2023 - JUNE 2025

- Created intuitive **wireframes and prototypes** for both web and mobile apps that **improved** the way the Caribbean and Latin American public interacts with their national police, Fire Brigade and other public sector departments.
- Developed visual tools for business proposals, significantly supporting investor acquisition efforts.
- Designed and developed the UX/UI strategies used in creating yassuh.com's landing page using **Figma** for prototyping and **Adobe Photoshop** and **Illustrator** for final asset creation.
- Developed yassuh.com's landing page using **React.js**, **Typescript**, **Tailwind CSS**, **HTML**, **CSS**, **Shadcn UI** and **Next.js**, utilizing **Agile** methodologies.

FULL STACK DEVELOPER AND UX/UI DESIGNER

BIBLE EXPLOSION ORG., NEW YORK, USA | FEBRUARY 2023 - JUNE 2025

- **Designed and prototyped** an accessible web app to streamline Bible study scheduling and provide easy access to session materials and presenter notes, with a focus on **WCAG** compliance.
- Led the **development** of the bibleexplosion.org web platform using **Authjs** for authentication, **React.js**, **Typescript**, and **Tailwind CSS** for front-end logic, **MongoDB** for data storage, **Next.js Server Actions** for communicating with various **API** endpoints with **Firebase** and **Vercel's Cron Jobs** for push notifications.
- **Designed** wireframes for the creation of the **mobile app** version of the bibleexplosion.org platform.

FULL STACK WORDPRESS DEVELOPER AND UX/UI DESIGNER

TIM CORPORATION, KINGSTON, JAMAICA | MARCH 2022 - MARCH 2022

- Led strategic efforts for the re-development of timcorporation.net to fulfill the client's need for an increased engagement from a younger audience.
- Web assets were created using **Photoshop**, and development was done using **WordPress**, **Elementor Pro**, and a variety of different plugins.
- Redesigned the product interface, and after implementation, the company observed a noticeable **increase** in user engagement within the first few months of the re-release.

FULL STACK WORDPRESS DEVELOPER AND UX/UI DESIGNER

THESSIAN SOUND, LTD., KINGSON, JAMAICA | DECEMBER 2018 - DECEMBER 2022

- Created an online payment platform using **Shopify**, **WordPress** and **PHP**.
- Led a team that developed and executed UX strategies for an e-commerce store.
- Led various marketing campaigns that often involved the development of **images**, **motion graphics**, and **video content** for **social** and **print media**.
